

2026

Each year Scout Troop 249 has put up flags on seven holidays. The Scouts in the Troop will put up, take down, store and maintain the flags for you. We would like to include your home for this service in 2026. Many of you have participated before, we appreciate your continued participation in our project. **100%** of the funds raised by this project **go directly to support the activities and equipment** for the Troop.

The Holidays for this year include the following; register prior to the dates in the Register by column to ensure holiday delivery.

HOLIDAY:		REGISTER BY:
Memorial Day	May 25 ----->	May 15
Little Sioux Camp Day	June 11----->	June 1
Flag Day	June 14	
Independence Day	July 4 ----->	June 25 - Last Day
Labor Day	September 7	Closed after June 25
Patriot Day	September 11	
Veterans Day	November 11	

The installation for the flag includes the placement of a small footing into your lawn and an identifying mark on your curb so we can locate the footing. This footing is not visible above the grass, and will not interfere with lawn mowing.

If you wish for us to provide this service for you, this year's fees are **\$50.00**.

If you'd like to pay by credit card this year, please scan the QR Code above to complete your registration and payment. We will continue to take check payments along with the registration form provided below. Detach and mail the lower portion along with your payment made payable to *Troop 249*. Attn: Flag Chair 15136 State Orchard Rd. Council Bluffs, IA 51503.

Thank you for your patriotism, love of country and support for Scouting by supporting our flag project. We look forward to your support in 2026 and the future.
